Nicky brings the best out of my son and she knows exactly how to do that, she constantly motivates him, praises him for things that he is doing well.

The combination of learning and fun has made John look forward to his lessons every week.

Thank you so much for teaching me this year, I have really enjoyed getting to grips with the sax. Thank you for your patience and encouragement.

About us

Hillsound is a family owned business staffed by a small (but growing) dedicated team of musicians. Since 2007 we have seen our shop grow from a home based repair business to an ever expanding multi specialist retail outlet stocking Guitars, Digital Pianos, Keyboards, Recording Equipment and Hi Tech, Amplifiers, Drums, Percussion, Ukuleles, Brass and Woodwind.

We are main agents for most of the top brands we carry including Martin, Ibanez, Yamaha, Casio, Orange, Peavey, Ashdown, Aguilar, Tanglewood, Antigua, Sigma, Rickenbacker, Audio Technica, KKR, Focusrite, Lewitt, Hayden, Vox, Yanagisawa and more.

All the instruments we sell are fully checked prior to sale in our on-site workshop. Many carry a 5-year warranty and all come with a free three month from date of purchase inspection free of charge.

Our friendly, helpful team are always on hand to offer expert advice backed by many years of professional music industry experience.

FEATURED BRANDS

Hillsound Online

We have had a successful web presence for a number of years now and continue to expand the number of products we offer online. We continually monitor our online prices and always look to offer the best deals available. We doubt if you will find cheaper elsewhere but if you do let us know and we will do our best to match any legitimate online price.

Everything over £100 goes carriage free.

Sheet Music

We hold a large selection of music books in store and can supply single sheets immediately by direct print out from our supplier.

Pre Owned

We also always have good stock of second Hand (pre loved) instruments for sale all fully checked and set up in our own workshops.

Commission Sales

If you have instruments you would like to sell we do buy second hand but you may also want to make use of our commission sale facility.

Rent To Buy

Our popular 'Rent to Buy' scheme gives you the opportunity to try a good quality well maintained instrument before making the decision to purchase or try something else. It is fundamentally important that a student has something of good enough quality to give them a fighting chance to continue – many shiny instruments are available these days at tempting prices that are only good for ornaments! General maintenance is free over the rental period as well so you can always be sure the instrument you have is in tip-top playing condition.

Pricing (Brand New)

Instrument	RRP	3 Months	Monthly
Trumpet	199.00	31.09	10.36
Saxophone	349.00	35.78	18.18
Trombone	199.00	31.09	10.36
Flute	175.00	27.34	9.12
Clarinet	175.00	27.34	9.12

We may also have pre owned and ex rental instruments available, fully serviced- even cheaper. If you want to purchase at the end of the 3 month minimum rental period 100% of your rental fee is offset against the cash price.

After the initial 3 month rental period 75% of your rental payments still count towards the purchase of the instrument – after 2 years it's yours to keep!

See www.hillsounduk.com/rentals for more details.

How Do I Start Renting?

Easy! Just come into the shop with two forms of I.D. – one with photo and one current utility bill, choose from our range of new, pre owned or ex-rental instruments and fill in our rental agreement form. The initial 3 month rental is paid by debit or credit card and you are good to go. The whole thing takes little more than 30 minutes.
